

INTERNATIONAL VISITORS VISA FEES

MU International Center is now passing the costs of obtaining visas for post-docs and visiting scholars to the departments. The current cost of a J1 visa is \$200.00 and the cost of an H1B visa is \$1,625.00 (**\$325** I-129 fee; **\$500** anti-fraud fee; **\$800** administrative fee) unless premium processing (**\$1,225**) is required, then the cost is \$2,850.00.

As we go forward, visa costs will be charged to the sponsor of the post-doc/visitor. Therefore, visas for most post-docs will normally be charged to department funds. However, visas for post-docs supported solely on grants will be charged to the grant. And, visas for Miller Scholars, Colloquia visitors and visitors funded by a grant will be charged to the Miller Fund, Colloquia budget, or the grant, respectively.
