LOG IN

Your WebAssign and Blackboard courses are linked, so initial access to WebAssign <u>must</u> be through Blackboard. DO NOT go to www.webassign.com and try to type in a username and password for your initial access. Your WebAssign access is set up for you through the Blackboard roster. Please follow the directions below for initial access.

- 1. Log in to Blackboard at https://courses.missouri.edu.
- 2. Select your course site.
- 3. Once you have entered your course site, select the WebAssign menu tab on the left of the course home screen. *If you do not see this tab, alert your TA or Instructor right away. The tab could be hidden from student view.*
