

MATH 1700: CALCULUS II SPRING 2026

Section # 1 Lecture Time: MWF Room

Section # 2 Lecture Time: MWF Room

Instructor: Office:

Email: Office Hours: Room

Recitations: TuTh Information about recitations for your **section/TA** will be posted on Canvas

CANVAS Website: <https://umsystem.instructure.com/>

WebAssign Website: <http://www.webassign.net/> (Initial access from Canvas only!)

Department Website: <https://www.math.missouri.edu>

Course Description: This course is devoted to the study of elementary transcendental functions, techniques and applications of differentiation and integration, sequences, series, power series with applications, parametric equations and polar coordinates.

Prerequisites: To qualify for enrollment in Calculus II at MU (Math 1700), you must satisfy one of the following criteria:

- ✓ Earned a grade of C- or higher in MATH 1500 (Calculus I) at MU, or at another institution of higher learning.
- ✓ Earned a score of 3 or higher on the AP Calculus AB Exam (or AB Subscore from BC Exam)

*Students who do not meet the placement requirements **will be dropped** from Math 1700.*

- **Textbook and Required Materials:** Textbook (optional) – *Single Variable Calculus*, 9th ed., by James Stewart, Daniel Clegg, Saleem Watson, ISBN 9780357042915. WebAssign Online Homework Access with Electronic Textbook (required) - You will be able to access the digital content for this course using Cengage Unlimited (WebAssign homework access with electronic textbook) through CANVAS on the first day of class. Your student account will be charged for the cost of all your Cengage course materials. If you have questions about AutoAccess, please visit with [AutoAccess Help Portal](#).

Calculators are not allowed (or needed) on any quizzes or exams.

Attendance: Class meetings in this course will be conducted in the classroom. Attendance is required and is vital to your success in this course. You are expected to attend all scheduled class sessions (lectures and recitations). If you are to miss class for any reason, you are responsible for any class notes or announcements given in class. Students with absences of twelve or more classes may be dropped from the class due to poor attendance.

Grading:	Midterm Exams (3 x 15% each)	45%
	Final Exam (Comprehensive)	30%
	Quizzes (lowest two dropped).....	17%
	<u>WebAssign Online Graded Homework (lowest two dropped).....</u>	<u>8%</u>
	Total	100%

Exams: This course has 3 midterm exams and a comprehensive final exam. The dates of the exams are listed on the course Tentative Calendar. Detailed information and specific instructions will be announced on Canvas prior to each exam.

Quizzes: Quizzes will be given throughout the semester during recitations. Your two lowest quiz scores will be automatically dropped. These dropped scores are designed to cover situations where you may miss a quiz for a reason that does not qualify you for the make-up policy described below.

COURSE MAKE-UP POLICIES

Exam Make-up Policy: If a student must miss an exam for a legitimate reason, the student is required to contact the instructor prior to the exam and provide accepted documentation for missing the exam to qualify for the make-up policy described below:

- If the missed exam is one of the three midterms, the student will receive on the missed exam the percentage scored on the final exam; no make-up exam will be given. This can only be done once during the semester.
- If the missed exam is the final exam, the student must consult with the instructor for the possibility of a makeup or an Incomplete.
- Otherwise, the student will receive a zero on the missed exam.

Quiz Make-up Policy: If a student must miss a quiz for a legitimate reason, the student is required to contact the instructor prior to the quiz and provide accepted documentation for missing the quiz to qualify for the make-up policy described below:

- The first two missed quizzes for legitimate reasons will be excused, and no make-up quiz will be given.
- In cases where other quizzes must be missed for legitimate reasons, an actual make-up must be arranged and taken within one week. Otherwise, the student will receive a zero on the missed quiz.

Examples of legitimate reasons to miss an exam or quiz: The exam/quiz overlaps with participation in a Mizzou sanctioned athletic or academic event, the student has a serious medical condition, or the student has a death in the immediate family.

The following are **NOT legitimate reasons to miss an exam:** personal travel, such as vacations, weddings, or graduations; work schedules; court appearances; University events that are not sanctioned athletic or academic events, such as fraternity and sorority events, intramural sports or club activities.

Note: Any circumstances not covered by the above make-up policies will be examined by the instructor/course coordinator on a case-by-case basis.

Graded Homework: All graded homework assignments are to be done online using WebAssign. These problems are algorithmically generated and will be similar, but not identical, to the numbered problems in your textbook. You will have THREE attempts to work each problem correctly. Before attempting your graded homework, you are advised to work the practice homework problems from the textbook or online in WebAssign.

Do not wait until the last minute to do your graded homework assignment. If a problem occurs that keeps you from submitting your assignment on time, **no extensions will be given.** It is your responsibility to submit your work on time and make sure it is submitted properly. **Your TWO lowest homework scores will be dropped at the end of the semester.** These dropped scores are designed to cover situations where you have technical difficulties or any other issue that keeps you from submitting an assignment on time.

For technical support for WebAssign, call 1-800-354-9706 or go to <http://support.cengage.com/>

WebAssign Graded Homework Due Dates: Graded homework assignments will be DUE by 11:59 PM on the due date listed on the calendar, without exception. You should always begin your graded homework well in advance. Keys, full solutions, and the "try a similar problem" feature are provided after the due dates and may be accessed in WebAssign via the "past assignments" tab.

Opportunities for Extra Help: In addition to Professor/TA office hours, please consider the following resources for extra help:

- **Calculus Open Hours/ Help Sessions:** Free tutoring by TAs that provide assistance with homework to all Math 1700 students. These sessions will be held throughout the semester (January 26 – May 7). *NOTE: Help Sessions WILL NOT be held over Spring break.* The schedule is to be posted on CANVAS.
- **The Learning Center:** Free tutoring sessions. Visit <http://learningcenter.missouri.edu> for details.

Drops/Withdrawals:

TUESDAY, JANUARY 27: Last Day to Register, Add, or Change Sections (can be done via myZou)

MONDAY, FEBRUARY 23: Last Day to Drop a Course Without a Grade (can be done via myZou)

If you drop a course prior to this deadline, there will be no record on your transcript.

After the last day to drop, you will need to submit a Course Withdrawal Form to the academic advising office of your college (e.g. the College of Arts & Sciences or the College of Engineering).

MONDAY, May 4: Last Day to Withdraw from a Course.

Student Conduct: A student at the University assumes an obligation to behave in a manner compatible with the University's function as an educational institution according to the University Standard of Conduct. In particular, **Academic Dishonesty** and **Disruptive Conduct** are subject to the administrative sanctions.

Academic Integrity: Academic honesty is fundamental to the activities and principles of a university. All members of the academic community must be confident that each person's work has been responsibly and honorably acquired, developed, and presented. Any effort to gain an advantage not given to all students is dishonest whether or not the effort is successful. The academic community regards breaches of the academic integrity rules as extremely serious matters. Sanctions for such a breach may include academic sanctions from the instructor, including failing the course for any violation, to disciplinary sanctions ranging from probation to expulsion. When in doubt about plagiarism, paraphrasing, quoting, collaboration, or any other form of cheating, consult the course instructor.

Academic Integrity Pledge: Students are expected to adhere to this pledge on all graded work whether or not they are explicitly asked in advance to do so: *"I strive to uphold the University values of respect, responsibility, discovery, and excellence. On my honor, I pledge that I have neither given nor received unauthorized assistance on this work."*

Disruptive conduct: Conduct that creates a substantial disruption of university operations including obstruction of teaching, research, administration, other University activities, and/or other authorized non-University activities that occur on campus.

Students with Disabilities: If you anticipate barriers related to the format or requirements of this course, if you have emergency medical information to share with me, or if you need to make arrangements in case the building must be evacuated, please let me know as soon as possible. If disability related accommodations are necessary (for example, a note taker, extended time on exams, captioning), please register with the Disability Center (<http://disabilitycenter.missouri.edu>), S5 Memorial Union, 573- 882-4696, and then notify me of your eligibility for reasonable accommodations. For other MU resources for students with disabilities, click on "Disability Resources" on the MU homepage.

Mental Health: The MU Counseling Center <https://wellbeing.missouri.edu/mental-health-services/> offers professional mental care and can help you find the best approach to treatment based on your needs. Call (573) 882-6601 to make an appointment. Any student in crisis may call or go to the MU Counseling Center Monday-Friday between 8:00-5:00. After hours phone support is available at (573) 882-6601.

University policies regarding AI policy, Academic Integrity, Recording in the Classroom, FERPA, Intellectual Pluralism, Netiquette, Religious Holidays and Accommodations, COVID-19, Nondiscrimination and Disability Accommodations can be found here: <https://provost.missouri.edu/faculty-affairs/syllabus-information/>

Students may not use smart phones or any other electronic devices during class. Recording and picture taking are not allowed.

Problems or Concerns: If you have any problems or concerns regarding this course, please contact:
Dr. Elena Koucherik, *Calculus II & III Coordinator* (koucherike@missouri.edu, 573-882-4494)
Dr. Dustin Belt, *Director of Undergraduate Studies* (beltd@missouri.edu, 573-882-4898)

In all correspondence, include your full name, student ID #, course (Math 1700), section, and professor/TA names.
